

# ComprehensiveSearch

Professional Search, Recruitment & Project Staffing

After 25 years, Comprehensive Search remains committed to serving the employment needs of our industry, while holding true to our heritage of ethics, responsibility, and hard work. While our technologies continue to develop, the core strategies and processes we employ are tested and proven. We strive to help uncover solutions through disciplined practices based on an in-depth understanding of the building products and interior furnishings industry. Our fundamental partnership approach to business provides our client companies with answers, quickly and efficiently, and helps avoid pitfalls inherent in recruiting and hiring. You will notice the difference, and appreciate the value.

Hiring outstanding people is increasingly crucial to your success. To consistently do it right is a time consuming and demanding process. Our time tested methodology and familiarity with the specifics of this industry offer you a tremendous advantage. Comprehensive Search has a history of helping interior furnishings and building products employers hire winners! Our recruiting staff has over 200 years of combined industry experience and contacts. Our service packages cost substantially less than industry averages and we do offer unbundled solutions and custom services to meet your individual needs and budget.

### SEARCH

- Exclusive Industry database of over 50K industry contacts refined over the past 25 years
- The most potential candidates viewing your job posting in the entire industry.
- Affordable Search options for your company's specific needs
