

COMPREHENSIVESEARCH™  
**eRecruitmentbusiness**

“If we don’t get the People Thing right, we lose; it is THE most important thing in our business.”

Jack Welch  
 CEO – General Electric

75% of corporate officers say their organizations are “chronically talent-short”  
 Real World Solutions - With 18 Years in the search business we have found our share of shortcuts. Finding who you need is a challenging task. The internet provides opportunity to locate talent that may have hidden otherwise. We have years of experience in searching, attracting and qualifying the perfect candidate. We know the best places to post your positions? We know what candidates are looking for.

Our Internet Recruiter Services can put our career professional to work for you immediately. First select the option that works best for you; next, enhance your screening process with our online tools, Assessment and Reference Checks can be added to any existing Job order or can be ordered alone.

Industry Averages - Source: Thomas Weisel Partners

Improved time to hire is good but the cost savings with our eRecruitment services are tremendous. Charges for eRecruitment offer an average of almost 80% savings versus traditional search.
